**HOLISTIC MULTIDISCIPLINARY HOPITAL
COMPLEX AT DEONAR**

Allotted us a plot of land measuring 3200 sq. metres at Deonar, "M" ward of BMC. We plan to establish a comprehensive mother child complex measuring 60,000 sq. feet.

Such hospital is the need of the hour a country like ours. In our metropolls, there is no such hospital right from Kalyan to Haji Ali.

To realize this vision, we need funds. We have come thus far with the help of donors and philanthropists such as you. We request you once again to be a part of this endeavour.

You can make your contribution by

- Outright donations
- Advertisement through Souvenir
- Donor Pass for the Musical show.
- "Sponsor a child" programme

HIGHLIGHTS

Comprehensive Children's Hospital Services range from Early Intervention to Adolescent Care

Homoeopathic Hospital & Research Institute

Comprehensive care for HIV & AIDS
